

Sound Orthodontics COVID-19 Protocols

Your health and wellness are important to us. We're here to ensure that your experience is as safe and easy as possible!

REST ASSURED! We have COVID-19 precautions in place!

If you or anyone in your household is sick,
PLEASE CALL TO RESCHEDULE YOUR APPOINTMENT.

YOUR CAR IS THE NEW WAITING ROOM!

Please complete the online wellness screening prior to your scheduled appointment. Upon arrival, please send in only the patient to check-in with the front desk and have their temperature taken. We are asking all additional family members remain in the car, unless you have questions or paperwork is required. If you have special circumstances, please let us know, accommodations can be made for an additional family member.

PLEASE WEAR
your own mask or
face covering!

BRUSH BEFORE!
Our brushing stations
will be converted to
hand wash stations.

STAY UP TO DATE
Please text the office number
for a treatment update or
come in to schedule the
next appointment and get
an update on treatment.

We are all in this together! **For more information, please visit [soundsmile.com](https://www.soundsmile.com)**
